# Will you help us to keep All Saints Church open for the next generations to enjoy?

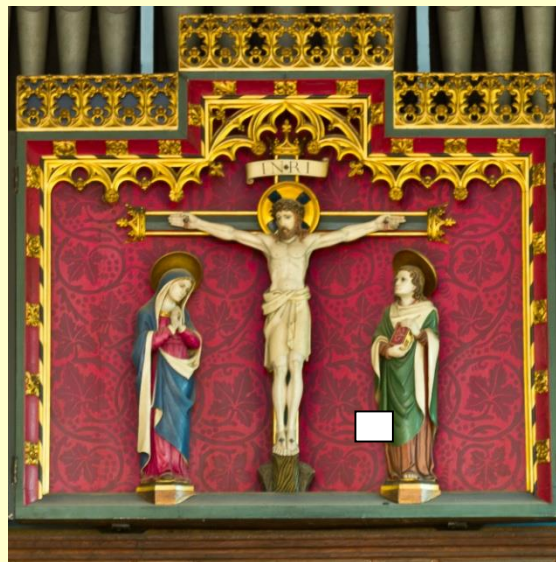

*'All Saints Church wishes to ensure that it flourishes at the heart of the local community uniting all those who love and value the church and its place within the community.'*

For this reason, we are engaging with people in our local community who are not necessarily regular churchgoers, but who may be interested in preserving and enhancing the beauty of our Church as an historic Arts and Crafts building and in supporting 'Friends of All Saints Church'.

The Arts and Crafts movement began in England in the 1880s under the influence of John Ruskin and William Morris and was possibly the most influential and far-reaching design movement of modern times.

Please help to keep our church open by becoming a Friend of All Saints. Your annual subscriptions and any additional financial gifts you can give will be dedicated to the repair and upkeep of this listed Arts and Crafts church.

*The font decorated for the Diamond Jubilee*

The barrel shaped roof of All Saints Church enhances the sound of our music. The Church is renowned for its musical tradition. In celebration of our centenary, a new stained glass window has been commissioned to reflect St Cecilia the patron saint of musicians and church music.
